

## View Our Work

Crafted with strategy. Delivered with heart. Here's how we help brands grow.

---

### Scotia Kelp – Website, Branding & Label Design

**Industry:** Natural Health Products | Nova Scotia, Canada

We designed a custom website and product labels for Scotia Kelp, highlighting its organic and coastal identity. Strategic Facebook campaigns and content helped elevate the brand's digital presence, resulting in a 3x boost in online sales and deeper audience engagement.

---

### Kinsart – Creative Branding for Art Education

**Industry:** Art & Creativity | Canada

From brand visuals to curated social media content, we helped Kinsart connect with families and creative learners. Our Facebook ad strategy amplified product promotions and local events, giving the brand a vibrant, artistic voice in the digital space.

---

### CBITSS – English Pro Facebook Campaign

**Industry:** Education & Language Training | India

We ran highly targeted Facebook ad campaigns for CBITSS's English Pro program to reach language learners and job seekers. With tailored ad creatives, audience segmentation, and continuous optimization, the campaign consistently delivered leads and increased program sign-ups.

 Coming Soon: Campaign Snapshot

---

### Student Training – Real Projects. Real Results.

**Service Area:** Digital Marketing Mentorship | Global

Through Dharni Digital Brand Boosters, we've trained aspiring marketers with live, hands-on experience running actual Facebook campaigns. Trainees worked on real accounts like Scotia Kelp and Kinsart, gaining confidence, skill, and portfolio-worthy experience.

*"I worked on a real campaign and landed my first freelance client within weeks!"*
